8.3 Termination for Cause. Except as otherwise provided for herein, either party may terminate this Agreement (a) upon the material breach of the other party, provided that the breaching party shall have thirty (30) days to cure such breach following written notice unless the breach by its nature takes longer than thirty (30) days to cure in which case the breaching party shall not be in breach so long as the party begins to cure the breach

10. WARRANTIES. Each party represents and warrants to the other party that (i) such party has the full corporate right, power and authority to enter into this Agreement and to perform the acts required of it hereunder; (ii) the execution of this Agreement by such party, and the performance by such party of its obligations and duties hereunder, do not and will not violate any agreement to which such party is a party or by which such party is otherwise bound; and (iii) when executed and delivered by such party, this Agreement will constitute the legal, valid and binding obligation of such party, enforceable against such party in accordance with its terms.

11. INDEMNIFICATION.

11.1 Client agrees to indemnify and hold harmless Service Provider (its affiliates, subsidiaries, shareholders, officers, directors, employees, contractors, agents and representatives) (together, the "Service Provider Indemnified Parties") against any cost, claim, liability or expense any of the Service Provider Indemnified Parties incur as a result of or arising out of or related to: (i) Client's unauthorized use of the Service; (ii) Client's willful, negligent, tortious or criminal acts or omissions; (iii) any improper use of Client's Registration Data; and (iv) Client's violation of any third party intellectual property rights. The applicable Service Provider Indemnified Party shall provide Client written notice of any claim for it seeks indemnification under this Section.

11.2 Service Provider agrees to indemnify and hold harmless Client (its affiliates, subsidiaries, shareholders, officers, directors, employees, contractors, agents and representatives) (together, the "Client Indemnified Parties") against any cost, claim, liability or expense any of the Client Indemnified Parties incur as a result of or arising out of or related to a third party claim for: (i) Service Provider's willful, negligent, tortious or criminal acts or omissions; (iii) any improper access of Client's Materials; and (iv) Service Provider's violation of any third party intellectual property rights. The applicable Client Indemnified Party shall provide Client written notice of any claim for it seeks indemnification under this Section.

11.3 The Indemnified Party shall provide the Indemnifying Party with prompt written notice of any third-party claims covered by this Section 11. The Indemnifying Party has the unrestricted right to select and hire counsel and the exclusive right to conduct the legal defense and/or settle the claim on the Indemnified Party's behalf. The Indemnified Party shall not make any admission(s) which might be prejudicial to the Indemnifying Party and shall not enter into a settlement without the express permission of the Indemnifying Party.

11.4 If the Service is held to infringe, or the parties agree that the Service appears likely to be held to be infringing, Service Provider shall have the option, at its expense to (i) replace or modify the Service, as appropriate, (ii) obtain a license for Client to continue using the Service, (iii) replace the Service with a functionally equivalent service; or (iv) terminate the Service and refund the prepaid, unused portion of the fees previously paid by Client (if any) that are applicable to the terminated Service. This Section 11.4 states Service Provider's entire liability and Client's exclusive remedy for any claim of intellectual property infringement.

12. CONFIDENTIAL INFORMATION AND DATA SECURITY.

12.1 Each party acknowledges and agrees that it (and its subcontractor(s), if any), in performing its obligations under this Agreement, shall have access to or be directly or indirectly exposed to each other's Confidential Information. Each party shall hold confidential all Confidential Information and shall not disclose such Confidential Information to third parties nor use the other party's Confidential Information for any purpose other than as necessary to perform under this Agreement. Each party shall use reasonable measures and reasonable efforts to provide protection for each other's Confidential Information, including measures at least as strict as those each party uses to protect its own Confidential Information. Such measures shall include, without limitation, requiring employees and independent contractors to sign a non-disclosure agreement before obtaining access to the other party's Confidential Information and such other measures as the party takes to protect its Confidential Information or trade secrets in the course of its business. "Confidential Information" means information in the possession or under the control of a party relating to the technical, marketing, product and/or business affairs or proprietary and trade secret information of that party in oral, graphic, written, electronic or machine readable form, Client Materials, source code and information pertaining to usage and design of the Service, and the terms and conditions of this Agreement.

12.4 Because of the unique nature of each party's proprietary materials, each party understands and agrees that the other party may suffer irreparable injury in the event that a party fails to comply with any of the terms of this Section 12, and that monetary damages may be inadequate to compensate for such breach. Accordingly, each party agrees that the other party will, in addition to any other remedies available to it at law or in equity, be entitled to seek injunctive relief to enforce the terms of this Agreement against any actual or threatened breach of this Section 12.

13. DISCLAIMERS OF WARRANTY; LIMITATION OF LIABILITY.

14. NOTICES. Unless otherwise specifically provided in this Agreement, every notice or other communications required or permitted under this Agreement shall be valid only if in writing and shall be delivered by e-mail, fax, personal delivery; by nationally recognized overnight courier service; or by certified or registered mail, return receipt requested, addressed to the names and addresses of each party set forth on the corresponding order form or similar document.

15. ASSIGNMENT. Neither party may assign all or part of this Agreement, or any rights or obligations under this Agreement, without the prior written consent of the other. Notwithstanding the foregoing, either party may assign or transfer this Agreement without consent to an Affiliate or to an entity acquiring or succeeding to all or substantially all of Service Provider's assets, business or stock.

Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be prohibited by or invalid under applicable law, such provision shall be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement. A waiver of any of the terms of this Agreement, or any breach or default hereunder, shall not be deemed or construed as a waiver of such terms for the future or any subsequent breach or default, whether or not of the same or similar nature. This Agreement may only be modified, amended or supplemented in a written document signed by authorized signatories of both parties subsequent to the date of execution of this Agreement. If any litigation is brought to enforce, or arises out of, the Agreement or any term, clause, or provision hereof, the prevailing party shall be awarded its reasonable attorneys' fees together with expenses and costs incurred with such litigation, including necessary fees, costs, and expenses for services rendered, as well as subsequent to judgment in obtaining execution thereof.

Evident.io shall make the Service available 99.9% of the time, including search and ingestion, except as provided below (“SLA”). Availability will be calculated per calendar month, as follows:

Where:

- o “*total*” means the total number of minutes in the calendar month;
- o “*nonexcluded*” means downtime that is not *excluded*; and o “*excluded*” means:
 - o Any planned downtime (not to exceed 10 hours in any calendar month) for which Evident.io gives 72 or more hours’ written notice in accordance with Section 15 of the Agreement. This scheduled down time is for deployment of new code to the services “upgrade” and is a maximum not to exceed window.
 - o Any unavailability caused by circumstances beyond Evident.io’s reasonable control, including, without limitation, acts of God, acts of government, flood, fire, earthquakes, civil unrest, acts of terror, strikes or other labor problems (other than those involving Evident.io employees).
 - o Any unavailability caused by or arising principally from a Client act or omission.

Service Availability Remedies. Should Evident.io fail to meet the SLA as set forth above (“Unavailability”), Client may continue to use the Service but receive a service credit of 1/30th the monthly fee for each day the Service is “Affected”, by making a claim in writing to Evident.io as described below. Affected, for purposes of calculating service credits, shall mean the day in a particular calendar month during which the Service first meets the definition of Unavailability, and each day thereafter in such calendar month during which there occurs any non-excluded downtime. All claims of Unavailability will be verified against Evident.io’s system records. Should Evident.io dispute any period of Unavailability alleged by Client (a “Dispute”), Evident.io will provide to Client a record of Service availability for the applicable period. Should Evident.io fail to meet the SLA as set forth above (a) for more than two (2) consecutive months, or (b) four (4) months in any twelve (12) month period, or (c) if the Service is in a state of Unavailability for more than 48 consecutive hours, Client may terminate the Agreement for cause in accordance with Section 8.4 therein. The remedies described in this paragraph shall be the sole financial remedy available to Client for breach of the SLA.

Reporting, Claims and Notices.

Evident.io will provide Client SLA reports showing Service availability promptly upon Client request and at most once per calendar quarter, except in the event of a Dispute in which case Client shall be entitled to promptly obtain a requested report. To claim a remedy under this SLA, Client shall send Evident.io a notice, via email addressed to support@evident.io no later than 10 business days after the end of each calendar quarter, except
